

## Basic license

By purchasing the our E-commerce Ui Kit, you accept the following terms:

### Rights

1. You are allowed to make necessary modification(s) to our templates to fit your purpose for personal or client project.
2. Can be used in single SAAS and Open source projects.
3. Use the template for a single personal or commercial project. (But not allowed to resell as another product)
4. You are not required to indicate our site as an attribute when using the purchased product.
5. We (creators of item) will not be responsible for any outcome that may occur during the course of usage of our resources. But we are happy to support you during the development.

### Prohibitions

1. For any resalable web applications or software programs, you should not include our graphic resources as an additional attachment.
2. You do not have the rights to redistribute, resell, license or sub-license or offer the file downloaded to any third party.

*Note: All above terms are for owners of Basic license only, We also have Pro license option which is for multi use for personal or any commercial projects.*

# Frequently asked questions

## **What is TemplateMount.com ?**

Our main goal is mainly to produce premium class practical design assets and templates in the field of E-commerce and constantly improve them.

## **Do you provide refunds?**

Yes, We issue refunds only if you can show that the file is corrupt on your end and cannot be used.

Due to the nature of digital downloads, there are no refunds and credits once an order is placed and the product is sent, especially if:

- › You changed your mind about an item;
- › You bought an item by mistake.
- › You do not have sufficient expertise to use an item.

## **How can I download TemplateMount products again?**

Log into your Gumroad to access your library. Click on any TemplateMount product to get its latest version. Login here <https://gumroad.com/library>

## **Can I create my own template or theme based on your products?**

You have to contact the author and authorI will guide you. For that purpose you need a Pro license which gives extended permission.

## **I want to create my digital product based on this UI Kit, what should I do?**

You have to contact the author and authorI will guide you. (below given contacts) For that purpose you need a Pro license which gives extended permission.

## **Can I create a SAAS product based on TemplateMount products?**
